

Legacy '70-'71

Red Deer College

Red Deer, Alberta

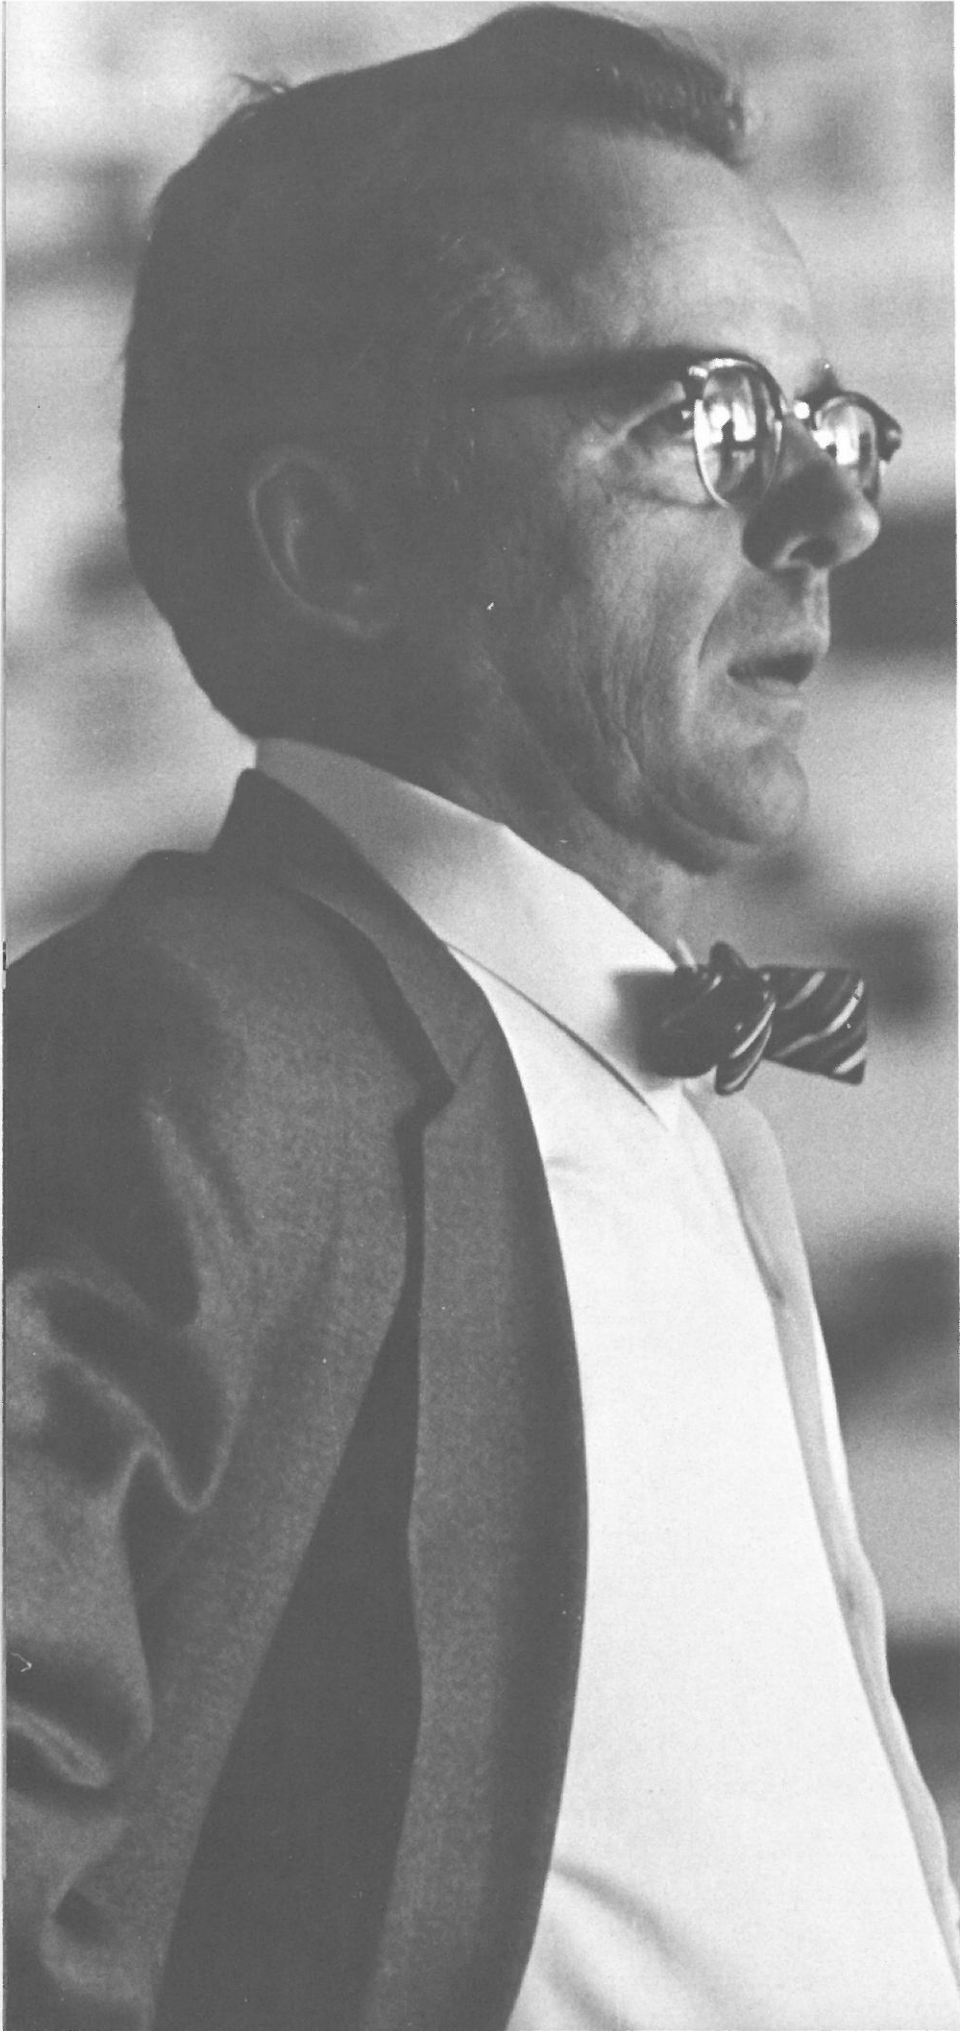

## A Dedication to Our First President

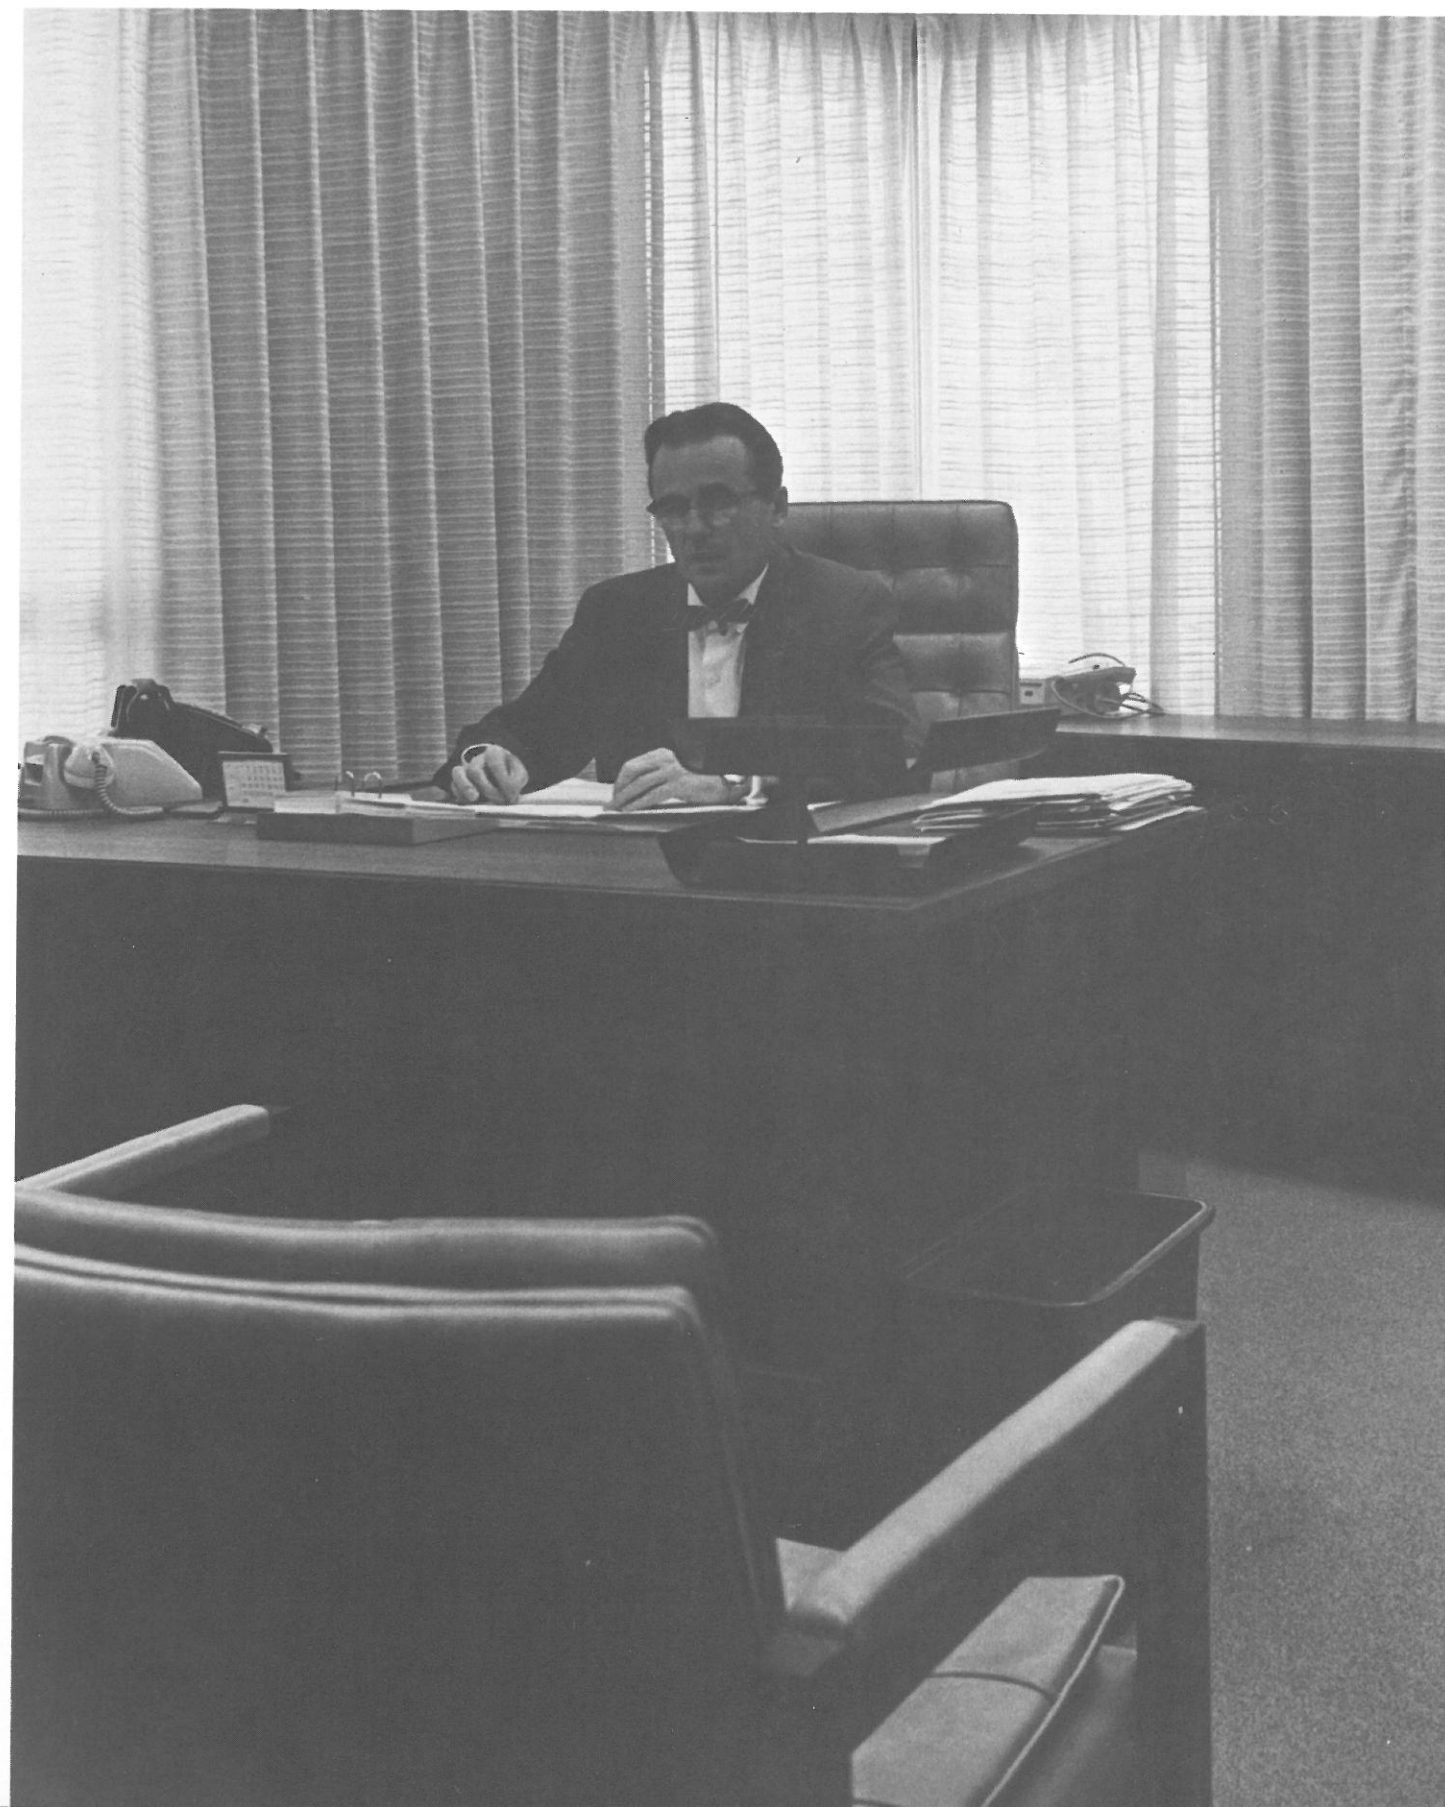

The 1970-'71 Legacy is dedicated to Mr. Peter Raffa, who, after seven years of dedicated service to the College, resigned his position at the end of February 1971.

In large measure, Mr. Raffa was responsible for the philosophy on which the College was founded — that of recognizing each student and instructor as an individual with each one of equal worth. This same philosophy put Red Deer on the map and contributed to the phenomenal growth of the College and the fact that the College now is able to offer second year courses.

The Red Deer Community, at large, and Red Deer College, in particular, owe Mr. Raffa a debt of gratitude for the years of service which he so willingly gave, but, inevitably, what he gained in terms of satisfaction, he lost in terms of personal health — this is the price which leadership all too often pays.

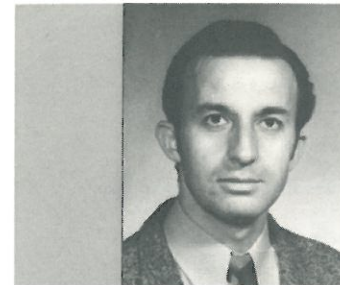

However, we are certain he will be remembered as the President with the kind heart and open ear.

Our best wishes are hereby extended to him.

#### ON THIS DAY

On This Day---  
 Mend a Quarrel,  
 Search out a forgotten friend,  
 Dismiss a suspicion and replace it with trust,  
 Write a letter to someone who misses you,  
 Encourage a youth who has lost faith,  
 Keep a promise,  
 Forget an old grudge,  
 Examine your demands on others and vow to reduce them,  
 Fight for a principle,  
 Express your gratitude,  
 Overcome an old fear,  
 Take two minutes to appreciate the beauty of Nature,  
 Tell someone you love him.  
 Tell him again,  
 and again,  
 and again.
