Happy Tenth Anniversary
Red Deer College

Message From Dr. Forbes

PRESIDENT'S MESSAGE

I hope that each of you had some goal set for yourself for the past year and that you are even now asking, "Did I meet that goal and what should I set as a new goal for myself for the coming year?". To me, at least, it is important that I know what I wish to accomplish and to have some idea as to how I am going to achieve it - and in talking to many of you I find that you feel the same way.

Let's take a look at one of my goals relating to students at the College for the past year. I wished to see a noticeably higher degree of participation of students in the activities about the College. If Red Deer College is really a stepping stone to a vocation or to a university, then you should leave having travelled further than just learning some academic or practical skills. Really, that is a principal reason for one going to a small College such as ours. Our smallness not only permits, it encourages, involvement with other people so that in the end we better know ourselves and how to live and work effectively with others.

At this time, I believe that we are achieving my goal in some - but not all - areas of College life. At the Board of Governors' meetings, in athletics, on the decision-making committees of the College, in the hiring of College staff, at Cabarets, there has been a significant increase in participation. However, when one looks at extra-curricular activities for students, I believe we have not succeeded. Ken Laloge and your Council are working to change this for next year's students. The Student Services Division of the College is also looking for ways to help and if you have any suggestions, please tell us.

I also very much wish to take this opportunity to extend my personal congratulations to those who are leaving the College to go on to a higher level of education at another institution, to take a position in the Community, or perhaps even to travel. Sincerely, well done. To the other students - who are the majority - all of us in the Collegelook forward to sharing learning experiences with you during the coming academic year. See you then!

W. G. Forbes

Students' Association President's Message

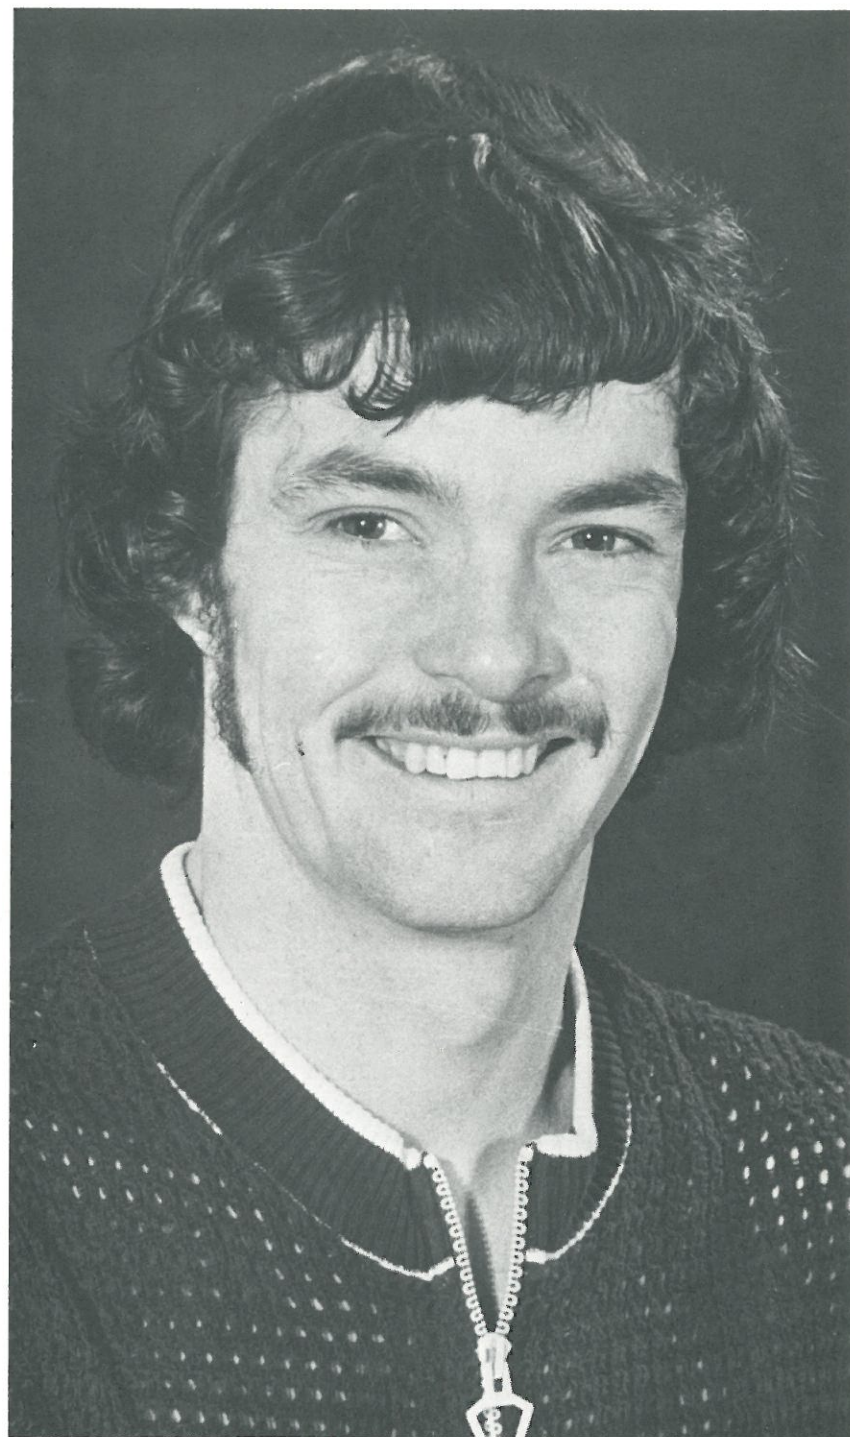

STUDENT PRESIDENT'S MESSAGE

I hope you've enjoyed this past year as much as I have, and I am glad to have met so many of you. In some ways I am sure we all wish it could have been better. I trust that your next year will fulfill your expectations and that you are looking forward to it as much as I am.

If you are returning, take the opportunity presented by the best college in Alberta; to help, to direct, to participate in, and to build a better life and college.

Again, I hope you can make your coming years as enjoyable and rewarding as your desires and efforts allow them. Good-bye, best wishes and thanks for the year that was.

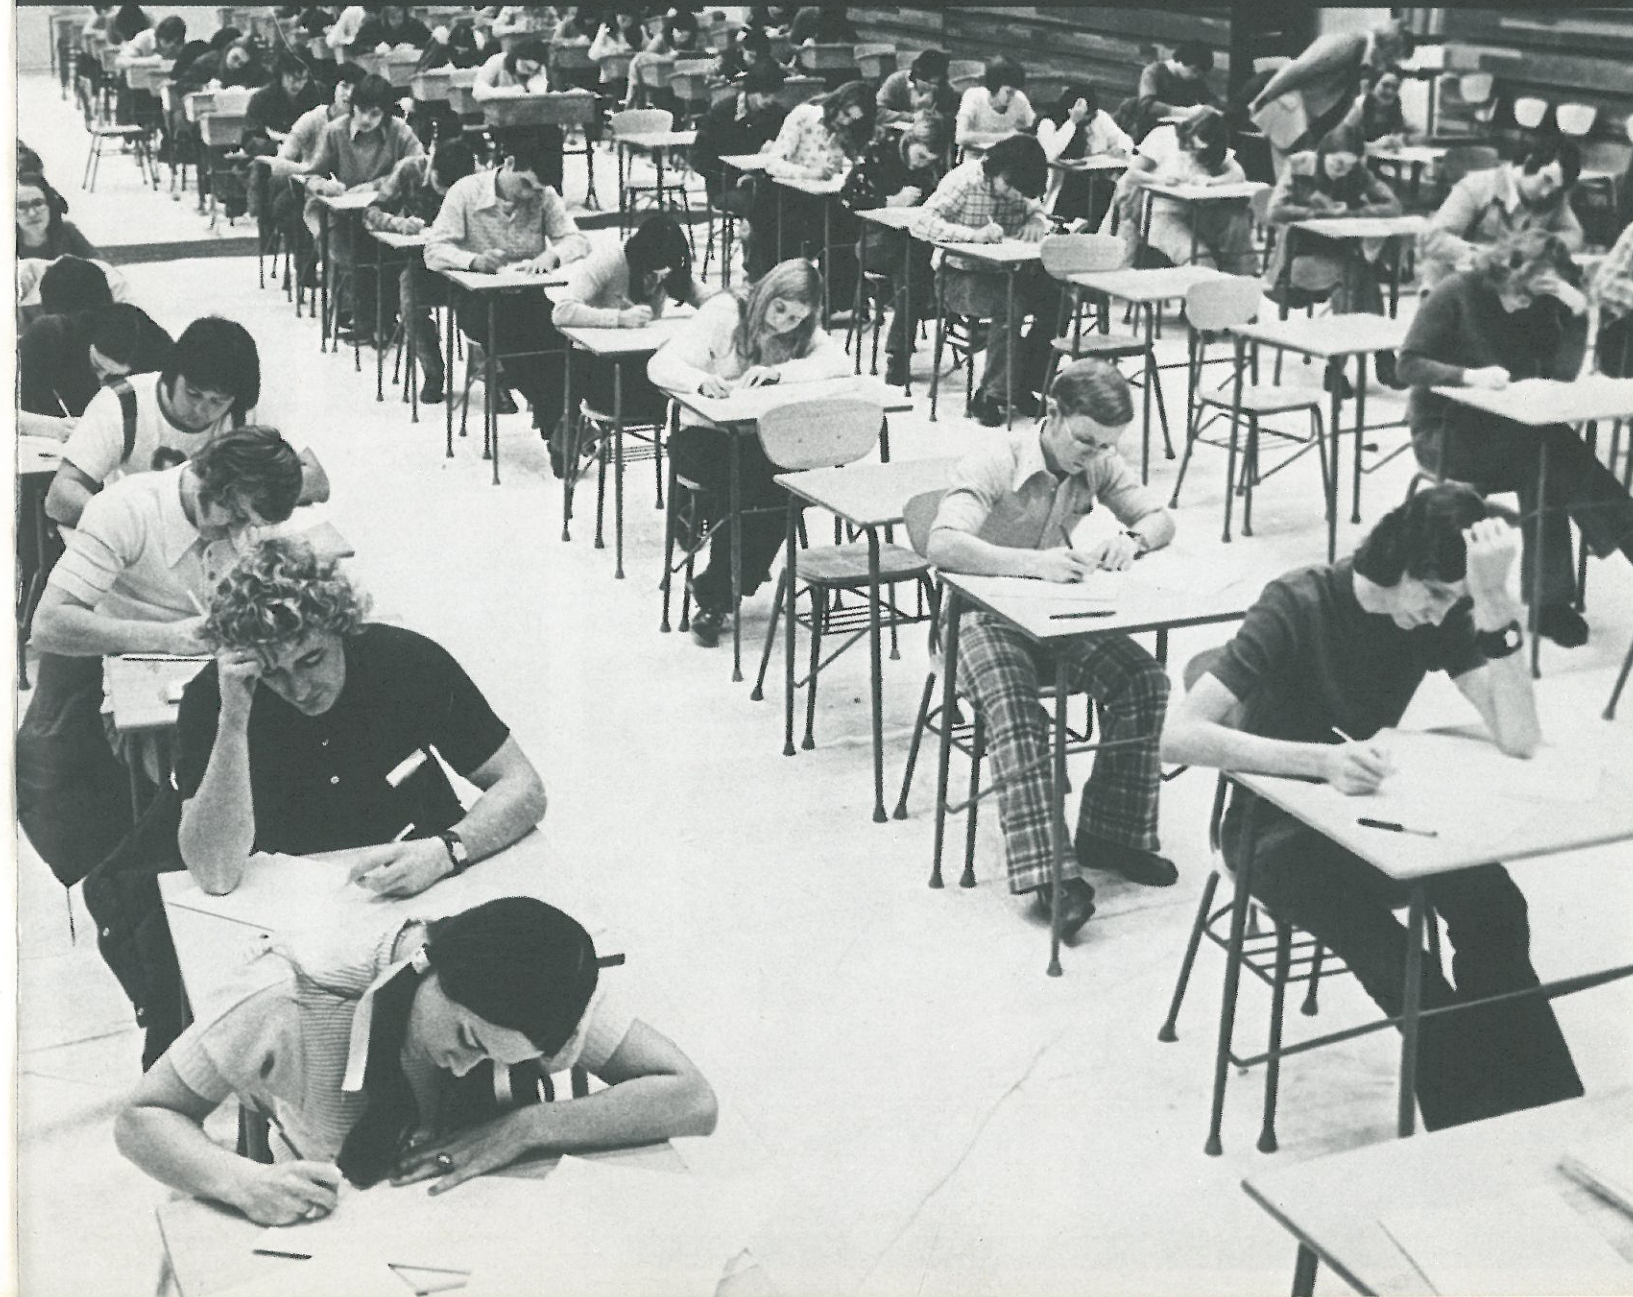

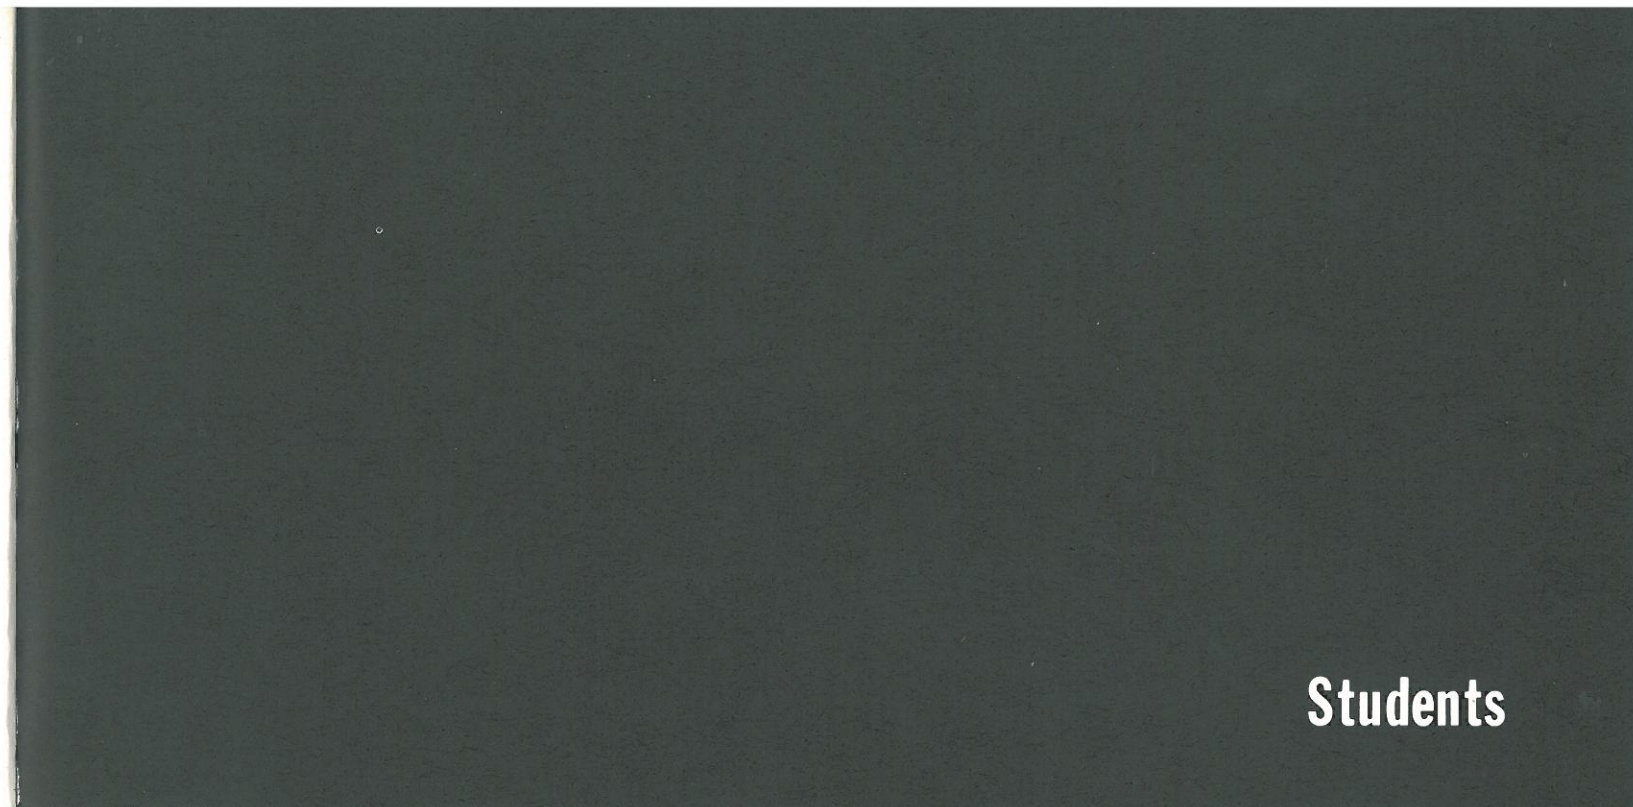

Ken

Board of Governors

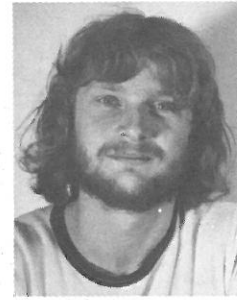

Dr. A. Burden, Mr. Mike O'Hanlon, Mr. R. Swanson, Dr. W.G. Forbes, Dr. R.C. Cooper, Mrs. Stephanie Lawrence, Mrs. Kathryn Marriot, Mr. Rob Sloan, Mr. Ken Laloge, Mr. Murray Arnold.
