RED DEER COLLEGE

RED DEER, ALBERTA

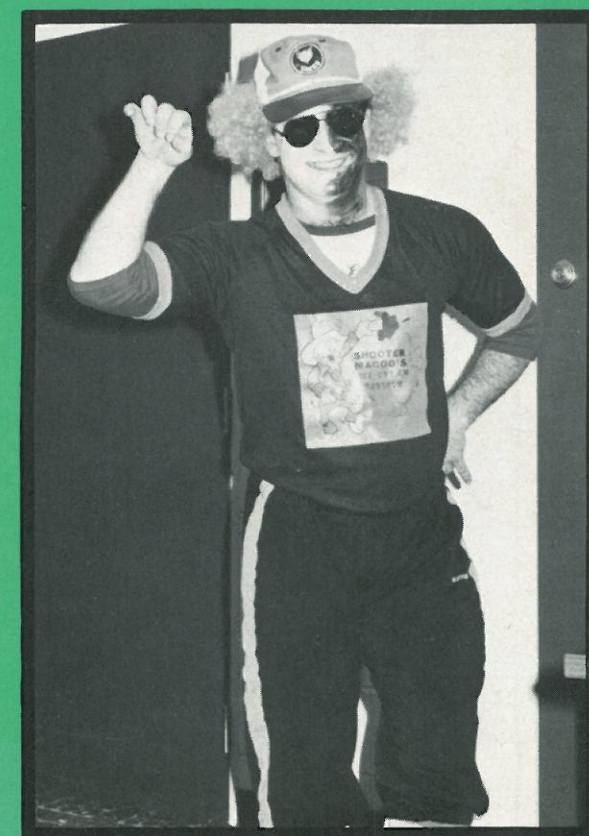

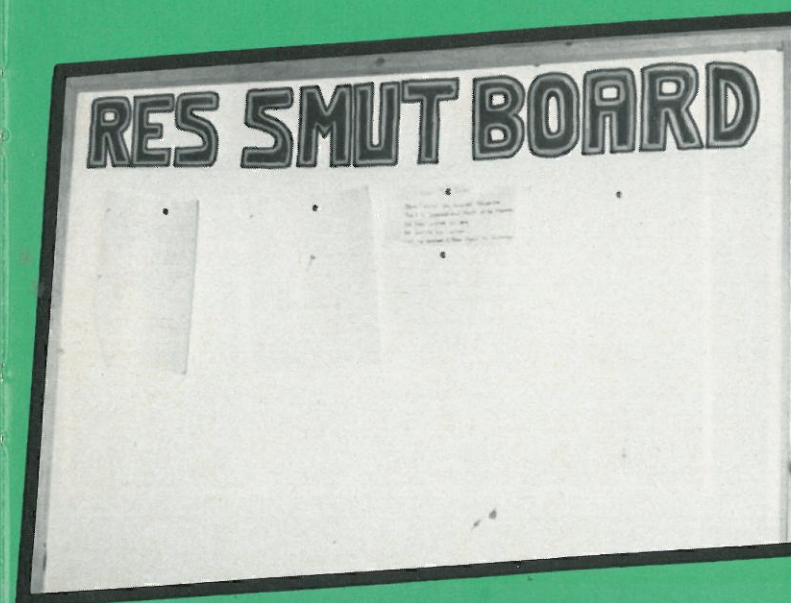

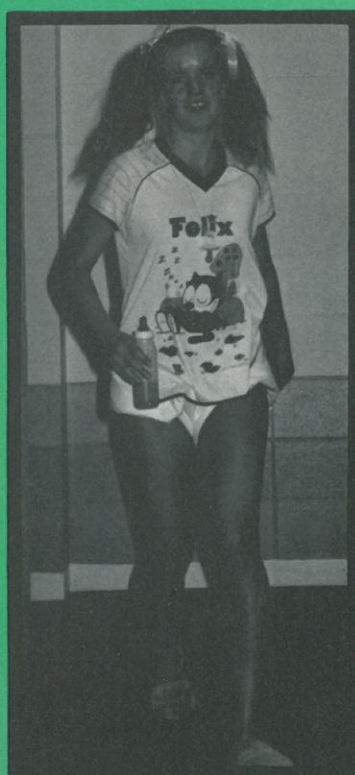

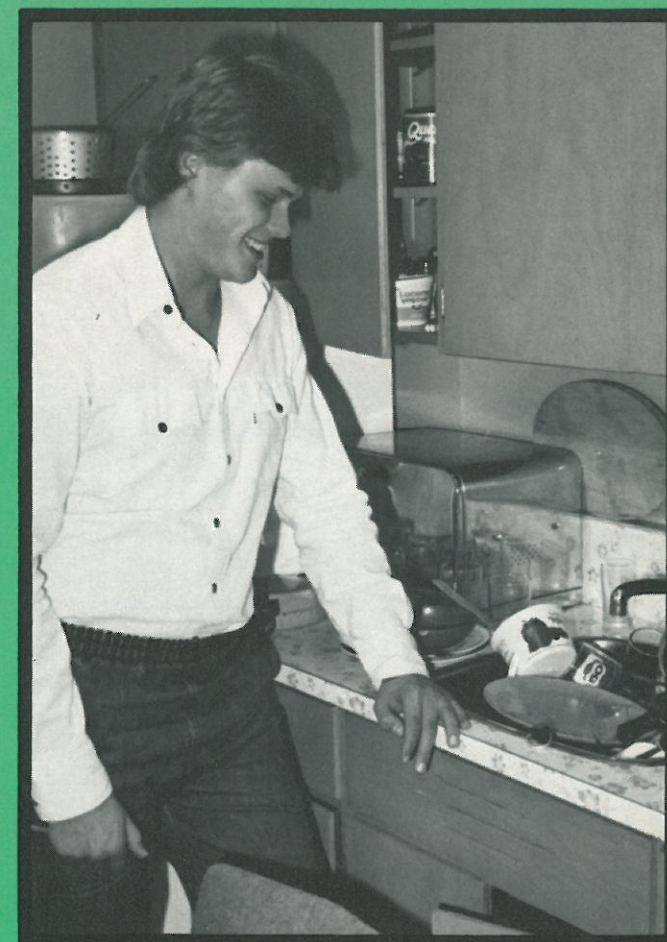

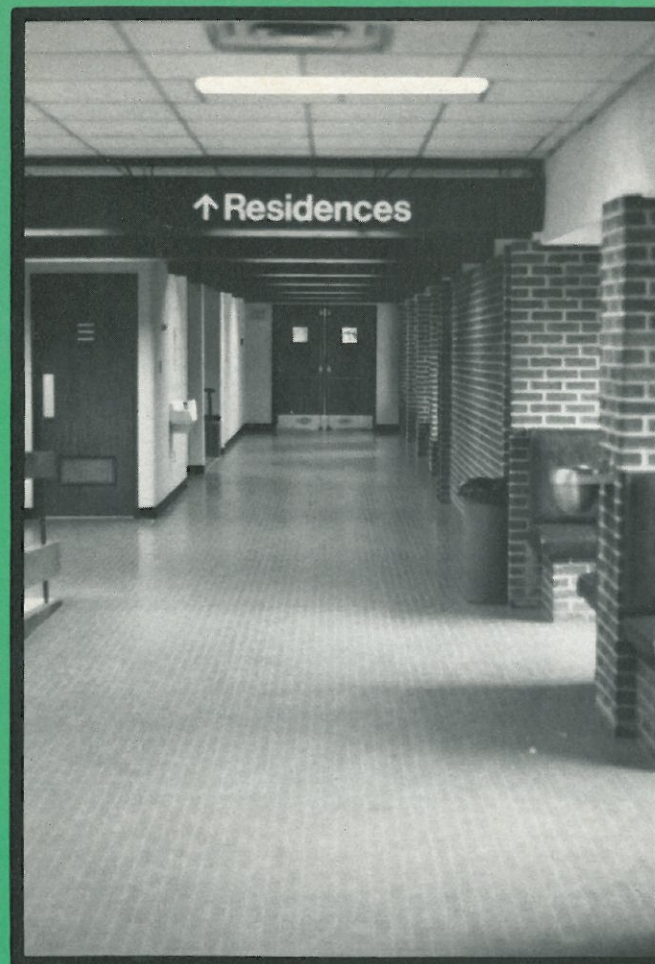

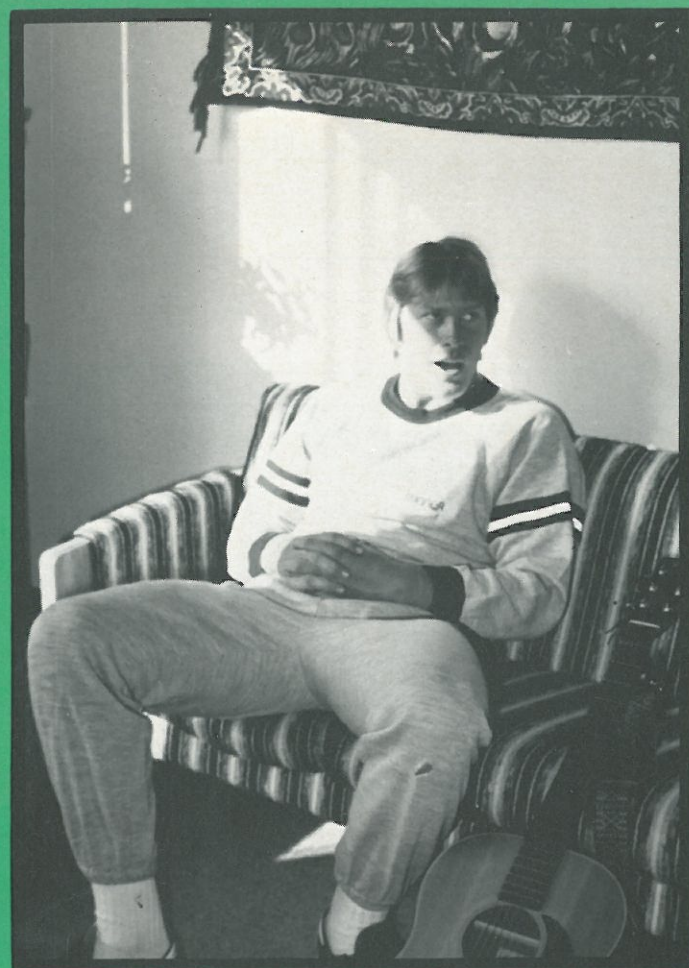

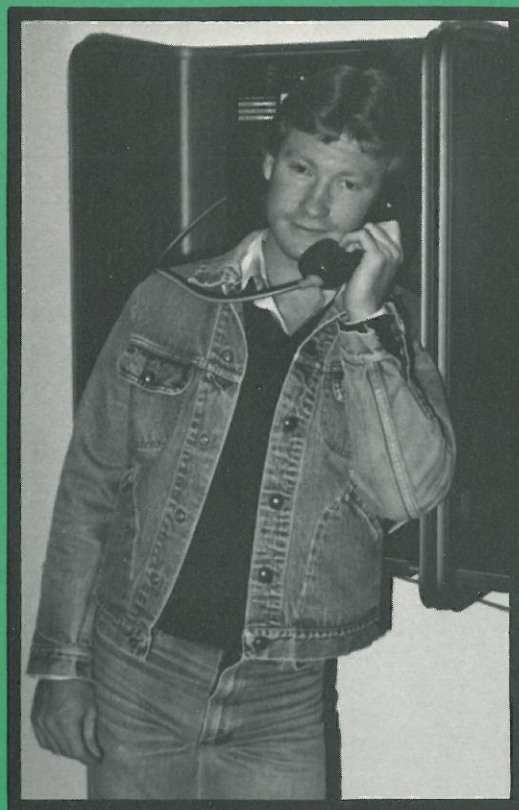

LEGACY

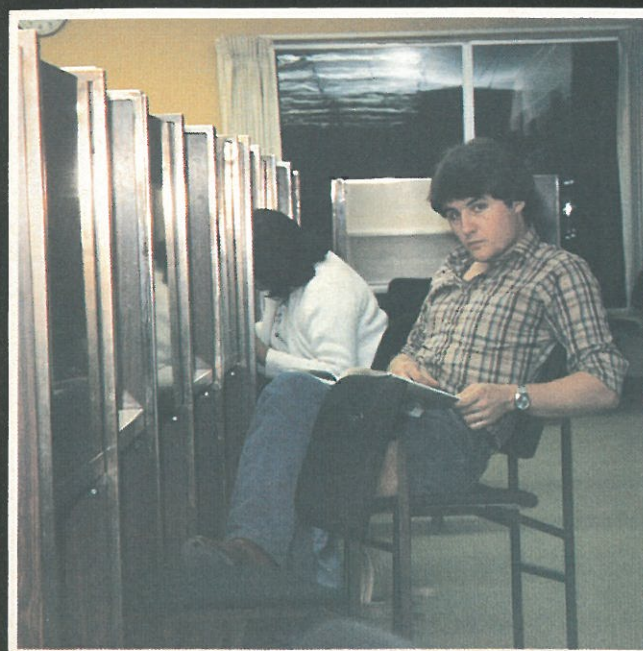

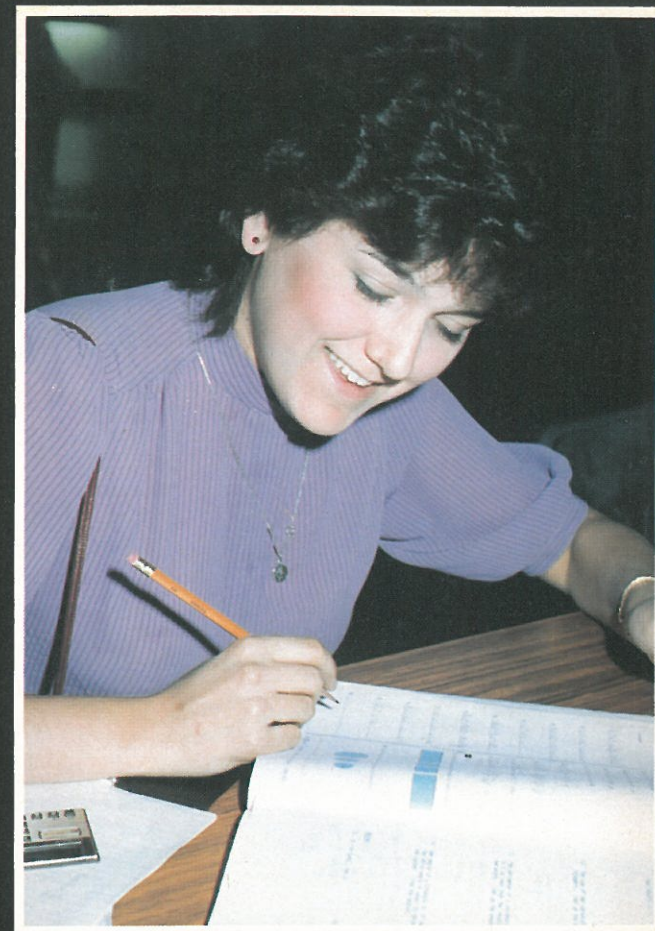

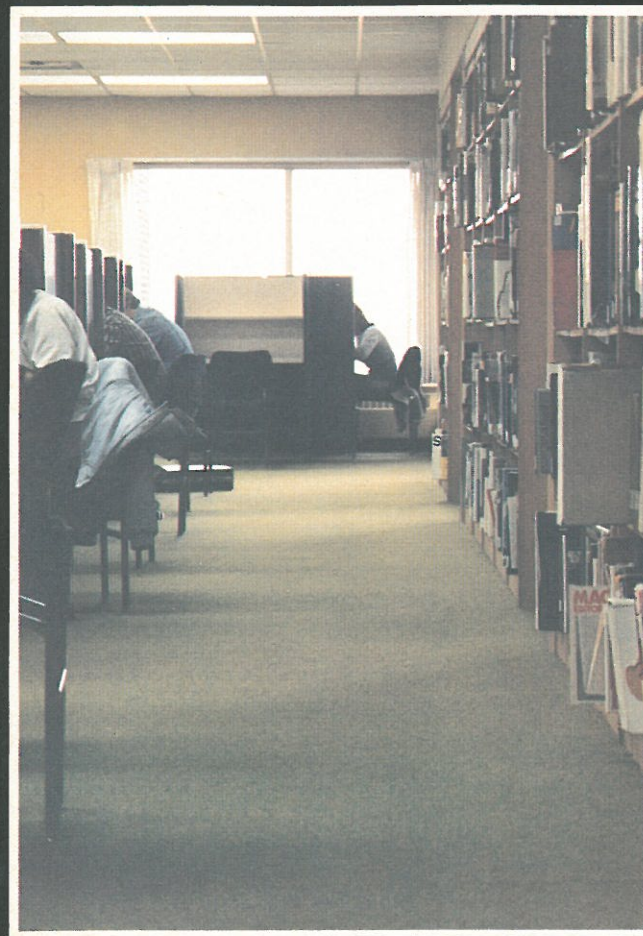

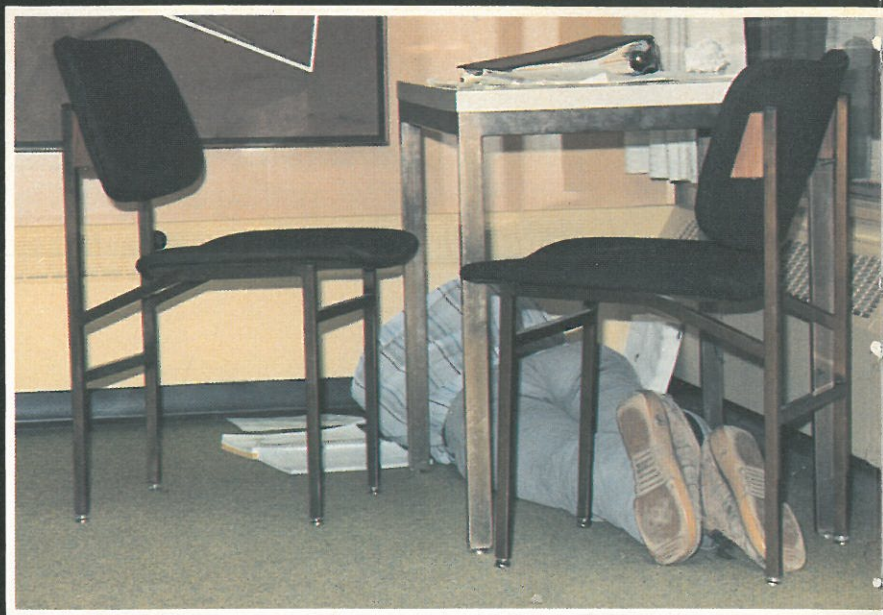

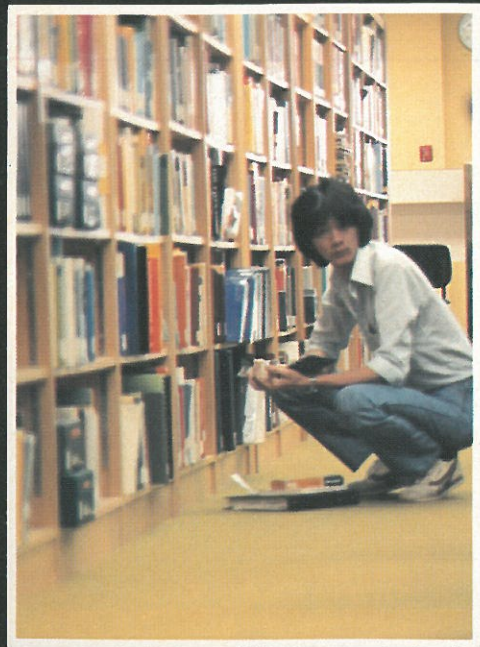

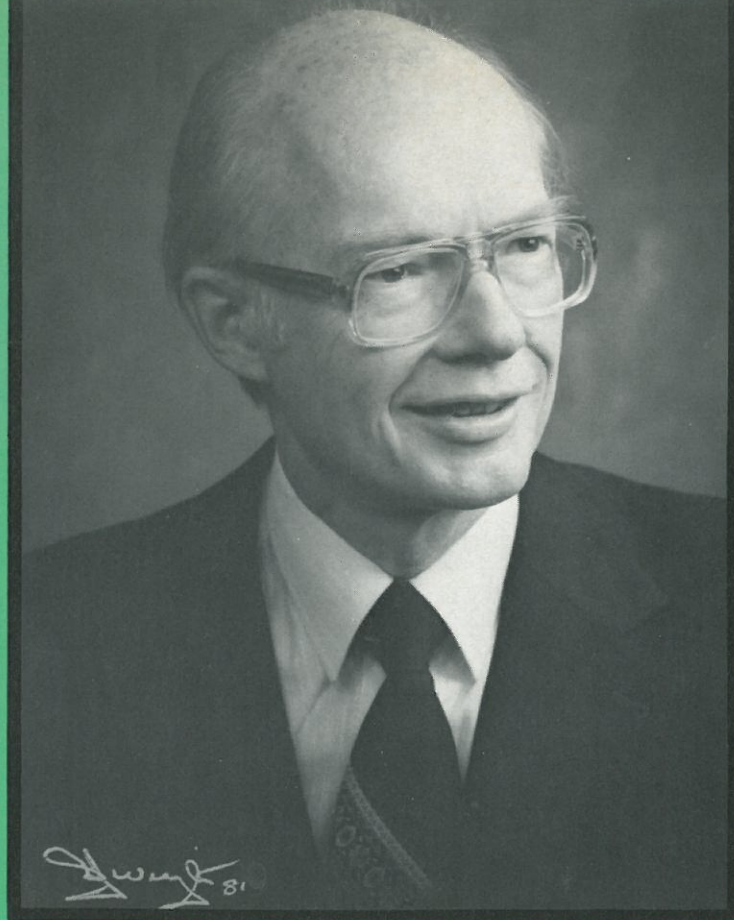

Doorways ...

Dr. W.G. Forbes

President's Message

So often one hears 'if you do not know where you are going, it is truly difficult to know when you have arrived at your destination'. The key, of course, is planning. The College is currently developing a physical plan of what it will look like when it gives service to 10,000, rather than the current 3,000 students taking credit courses. A plan has also been developed which sets out the educational programs which Red Deer College aspires to offer in each of the years between 1983 and 1988. In turn, each Division of the College is involving the plans which will see them maintain their strengths and grow as the College evolves.

I would strongly urge each of you to give more consideration to the question of what it is that you wish to be, and want to do, in five to ten years from now. Society is changing more and more rapidly, and those who have considered their personal future are most certainly better able to respond to the opportunities or problems that are presented to them.

Red Deer College Students should also work more closely with their Student President and Council, to lay the plans for the next decade, for the Students Association and its Facilities. While many of you will not be here in 1993, the impact of your legacy will be strongly felt by those of you who may have joined our Staff, who will be taking continuing education courses, or who will be employing our Graduates. Most certainly, Red Deer College seeks to have the strongest and best student body in Alberta - and it is through you and your plans that much of this can be achieved!

Board of Governors

As we move through the 1982-83 academic year it is clearly visible that the campus will continue to be hectic with students, staff, vehicles, and construction equipment. Spring and summer of 1983 should see some completion of landscaping, particularly at the residences, under the guidance of a campus master plan.

By now The Board is planning the east phase of the student's res. to provide accommodation for approximately 500 students. 1983 should also see the completion of the Trades and Technology wings and the start of the Arts Centre. Disruptive yes, but exciting.

Continue to enjoy the efforts put forth by faculty and staff, learn and go forth. Keep links connected to Red Deer College, whether it may be through Alumni or through public service; our institution needs you.

S.A. President's Message

When asked what distinct characteristic makes Red Deer College stand out in comparison to other learning institutions, the first thing that comes to mind is 'cooperation'. Surely the past successes of the Students' Association can largely be attributed to the cooperative relationship which we enjoy with the Faculty and Administration. Our college wisely shares the belief that a strong and well organized student body will ultimately enhance the reputation of the institute as a whole; and it is a belief which I feel has proved itself to be true.

Reflecting upon events of the past year, I am reminded how fortunate we are to be associated with a college that promotes student involvement in the educational process. At the same time, students can take pride in their contributions to this process, as well as in the responsible and mature manner in which we have endured the 'growing pains' of this expanding institute. I wish to direct special thanks to the countless number of students who have devoted a significant amount of time and energy towards all aspects of College concerns.

Many of you will be leaving Red Deer College in order to expand your horizons and realize your goals. I trust that each of you will leave the College with a sense of pride and accomplishment. Good luck then, and may you encounter success in all your future endeavors, whatever they may be.

Students: why we want a lounge at the college

Students asked to back lounge

Community has stake in college lounge issue

Tipplers give top marks to college lounge

By JIM LOZERON
of The Advocate

Red Deer College's licensed lounge received top grades from opening day patrons Thursday.

The lounge was attractive and quiet and the drinkers restrained — as the college promised in its campaign to win Alberta Liquor Control Board approval.

Most patrons agreed the brightly-lit lounge, with potted plants hanging from the ceiling and students' art on the light green walls was a welcome change from the rowdier pubs that used to be the only college functions where liquor was served.

"It is a nice place to unwind and everybody can sit around and relax after brain-bending all day," said Richie Dube, a college preparatory student.

Corinne Duckering, who came in for a

drink to celebrate her birthday, said: "This is a lot nicer than pubs; it's not as rowdy."

A line-up formed before the 4:30 p.m. opening, and shortly after about 65 people had taken seats in the 110-seat lounge. For much of the evening the lounge remained one-quarter to one-half empty, as students came for one or two drinks and left.

Business picked up in the final hour as the lounge filled with students after their night classes.

Mike Knopp, student association president, said he wasn't concerned with the size of the first-night crowd.

"The main thing is that it sort of reassured the executive that we probably did pursue the right course of action," Mr. Knopp said, "that this was the sort of environment we were after."

Ed Luterbach, college academic dean,

was one of a few college staff members who dropped in.

"I came here because I wanted to see what it was really like, if it lived up to the expectations I had: a very calm lounge where a person would come in and maybe have a beer and a chat and move on, not really a place where there would be a lot of drinking and carousing, and I think it has lived up to that," he said.

"To me this symbolizes the college coming of age, being an institution that has some stability and maturity to it, being able to handle the kind of responsibilities associated with a lounge."

Students also said they liked the convenience of the lounge and the prices. Beer sells at \$1.25 a bottle, liquor \$1.75 per glass and \$6.75 for a bottle of wine.

KINGS HOCKEY TOUR 1982-83

From December 27 - January 9, 1983, the RDC Kings hockey club and a contingent of supporters participated in a hockey tour of Finland - Russia, 38 people in all.

In Finland, the group visited Helsinki, Yuvaskyla, Imatra and Evu which represented a bus tour of Southern Finland. The schedule was very hectic and a tired Kings hockey club dropped their first game 3-1 to Yuvaskyla, Division I senior. In Eastern Finland a tough 7-5 victory was won over Imatra, Division I senior. The final game in Finland occurred against Evu juniors on January 8 and resulted in a 6-6 tie.

The highlight of the tour was the 7 days spent in the U.S.S.R., with 3 days in Leningrad and 4 days in Minsk. In Minsk the Kings visited a tough junior all-star squad and in three very thrilling matches were defeated 5-3, 7-3 and won the final game 3-2. The hospitality and sportsmanship shown off the ice was tremendous, on the ice very physical, tough games were played.

Culturally, the experiences are hard to describe. The length of time that history encompassed in Finland and Russia certainly made us appreciate the youth of our own country. Significantly, all players were impressed with many facets of Russian history and accomplishments, but all returned with a very strong feeling of love for the freedoms and choices of our own country. Certainly this turned out to be an experience of a life-time.

LEFT TO RIGHT: Darlene Ries, Bernice MacKinnon, Heather MacDonald, Bonnie Benedict, Mike Harnett, Rinky Frere, Liz Gallion, Jody Strate, Fran Hermanson, Patricia Robertson, Reen Cole, Lorraine Gaudin.

The 1982-83 edition of the Red Deer College Volleyball Queens have an unenviable task if they wish to equal or improve on their 1981-82 record. Last year featured a 21-0 regular season record, the ACAC championships, and a silver medal in the Nationals.

The teams' goals for this year, however, will include at least equalling the accomplishments of the previous season. To lead the squad in their quest are no less than seven returning players, ACAC all-star setters Heather MacDonald and Bernice MacKinnon, middle blockers Frances Hermanson and Jody Strate, power hitters Mike Harnett and Rinky Frere and Darlene Ries, also a setter.

In addition All-Canadian middle blocker Trish Robertson transferred to RDC from Mount Royal College and Liz Gallion, Reen Cole and Bonnie Benedict are promising high school stars who will make valuable contributions to this year's squad.

Kings

LEFT TO RIGHT: Murray Knuetsen, Ken Klause, Les Sutherland, Neil Peterson, Brian Madill, Wayne Brook, Pat McFeely, Shawn Haggarty, Terry Frere, Doug Herman.

The Kings are coming off a very successful year which saw them go 20-1 in regular season play and finish 2nd in ACAC to the eventual CANADIAN CHAMPIONS Mount Royal College.

Gord Inglis is in his 3rd year as coach of the Kings and has 3 players returning from last year's team. The returnees include middle blockers Les Sutherland and Ken Klause. Les comes from Evansburg, Alberta and was a starter for the Kings last year. He has been named the team captain this year and will provide great leadership for the Kings. Ken Klause is in his second year and is another returning middle blocker. Ken comes from Wetaskiwin and with Les will provide much experience down the middle. The third veteran is a power hitter Murray Knudsen who is also from Wetaskiwin. Murray came to RDC in January last year and will also add some experience as well as power to the team.

The Kings are also fortunate to have 2 other players with college experience. They are setter-power hitter Neil Peterson and power hitter Brian Madill both from Camrose Lutheran College. They are both fine athletes and talented volleyball players which will contribute tremendously to the program.

Among the other 1st year players with the team are Doug Herman; a setter from Drumheller; Pat McFeely, a setter from Wetaskiwin; Wayne Brook, a middle blocker from Lacombe; Terry Frere, a specialist from Trochu; and Shawn Haggarty, a power hitter from Trochu.

LEFT TO RIGHT: Deana Wood, Nancy Johnstone, Michelle Emson, Linda Lees, Rhonda Salomons, Linda Hamill, Charlene Golder, Dawn Schooler, Susan Woitt, Jill Jeske, Wendy Andersen, Danita Mills, Nina Gresholm.

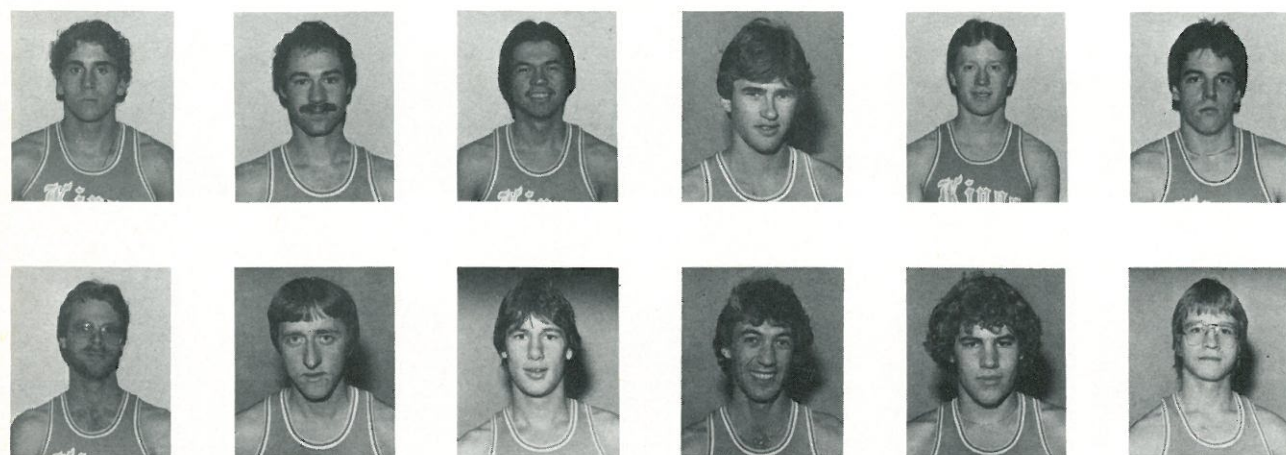

The 1981-82 season saw the Red Deer College Queens basketball team end up in fifth place with a 5 win 9 loss record. The team this year has the potential to place much higher in the ACAC standings.

There are three returning players whose experience in the league will provide necessary leadership and stability. Susan Woitt and Linda Lees will play forward while Danita Mills will return to the post position.

The nine rookies bring with them a great deal of ability and hustle. The guards, as well as being good shooters and capable ball handlers, have a great deal of speed. Dawn Schooler, Jill Jeske, Nancy Johnstone, Rhonda Salomons and Linda Hamill will fill these positions.

On the forward line will be Deana Wood, Charlene Golder and Michelle Emson. They will combine with the vets to give shooting power and rebounding strength. Also controlling the boards at the post position will be Wendy Anderson.

Kings

LEFT TO RIGHT: Terry Finnigan, Dan Vincent, Trevor Swampy, Roger Smolnicky, Bob Manning, Steve Gillett, Bob Klettke, Gary Grab, Bryon Abbott, Shaun Johnston, Todd Storme, Pat Zak.

The 1982-83 Basketball Kings, despite undergoing a major rebuilding job following a very strong finish last year, face the difficult prospect of landing on ACAC playoff berth again with optimism and enthusiasm. In 1981-82, Kings finished in 4th place with a regular-season record of 8-8, and then losing to the SAIT Trojans in semifinal playoffs.

Returning after an outstanding season, Red Deer native Terry Finnigan appears ready to emerge as the next dominant front court player in the ACAC. Also return-up front from last year's squad are Innisfail's Roger Smolnicky, a reliable play-anywhere 2-year veteran, and Rimbey's Gary Grab, the 5th Grab (following brothers Rudi, Ed, Reimer, and Wally) to play for Kings' coach Wayne Lalor at RDC. Two of last year's promising rookies return to the backcourt this season - smooth-shooting Trevor Swampy from Hobbema, and super-quick defensive specialist Dan Vincent from Red Deer. Shaun Johnston, a solid forward with earlier King's teams also returns to the College and squad after 4 years in the business world.

Of the six new faces on the squad, three are from the local area; Todd Storme is from Red Deer's Lindsay Thurber C.H.S., while Bob Manning and Pat Zak are both from Delburne. The other three rookies are from out-of-province: Bob Klettke from Cawston, B.C.; Bryon Abbott from Tlell, B.C. and Steve Gillett from Saskatoon, SK.

Canoeing

LEFT TO RIGHT: Dallas Frandson, Barb Komisar, Maureen Dobson, Denise Wilson, Debbie Watsyio, Wendy Bachewich, Kathy McClure, Susan Whitehead, Doug Miller, Brad Ramstead, Robert McPhee, Ralph Bierkos, Curtis Shreiber, Scott Girvan, Dennis Diedrich, Glen Jones.

The RDC Canoe Team was more active in 1982 than in previous years. We started off with the usual number of leisure paddlers with practises in Bower Ponds, a Sunday afternoon river trip and a few practises at Sylvan Lake. With the cold weather and the competitions our numbers were soon reduced to twenty regular paddlers.

Our first invitational meet was against CLC in mid-September at Bower Ponds. Our women's team won the first race. CLC took the other three races and thus kept the trophy. On October 16, RDC attended the Camrose Invitational meet. We finished second to CLC in a very close race in the men's event. The women's and mixed teams took second. Our war canoe finished first well ahead of CLC and NAIT.

In the ACAC meet in Grande Prairie, the men's team took the gold in a very fast race. RDC finished second in the women's race and in the mixed race. In a rather extended series of heats, RDC finished first in the war canoe race. Overall, RDC tied CLC with two golds and two silvers each.

LEFT TO RIGHT: Doug MacIsaac, Doug Bisson, Mitch Baker, Kevin Letourneau, Norman Viens, Pat Moffat, Egberth Jeffers, Dean Larson, Simon Jozzy, Curtis Doell, Alvaro Bustamante, Mark Hatton, Fernando Bustamante, Don Parslow.

Soccer was an exhibition sport in A.C.A.C. this season with an exhibition tournament hosted by SAIT October 16 and 17. RDC won 1 of 3 games and will spend the rest of the year and next summer preparing for the 83-84 season, when soccer becomes an official sport in ACAC.

Cross-Country Running

Cross-Country Skiing

The cross-country ski team began dryland training in the last week of October in preparation for ACAC competitions on February 4 and 5. Included in this training is sport specific weight programs, running with and without poles, roller skating and regular Thursday night seminars on equipment selection, waxing techniques, clothing, nutrition, motivation and race strategy.

Returning from last year's team is Curtis Schreiber and joining him for his first year is Gord Palm. Both skiers raced in the Alberta Winter Games in Lloydminster last February. Although we did not field a women's team last year, there are several very enthusiastic and hard working women preparing for this year's season. Everyone, regardless of experience, is invited to attend all practises and seminars. On snow training will feature video taped ski lessons and teaching by qualified instructors. We are also encouraging high school students to join us for practises and races.

Bowling

KEN HAMMER, Coach.

Coming off a successful year in 81/82, this year's College Bowling Team looks to be a strong contender in the ACAC. Led by the women's team, who won first place, the Red Deer College Bowlers put in an impressive performance at last year's ACAC finals.

This year many of the ladies' team as well as the mixed team should be returning. A stronger men's team could boost this year's college bowling team to No. 1 in the conference.

The RDC Bowling Team will concentrate on two major tournaments for this season. The Alberta College Athletic Conference Championship will be held at NAIT in Edmonton on February 11 and 12. Another major tournament, the inter-collegiate classic will also be held at NAIT. This will take place sometime early in the new year.
