RED DEER COLLEGE

20th Anniversary

1983

HISTORY HIGHLIGHTS

Red Deer Junior
College
1963-1969

Red Deer
College
1970-

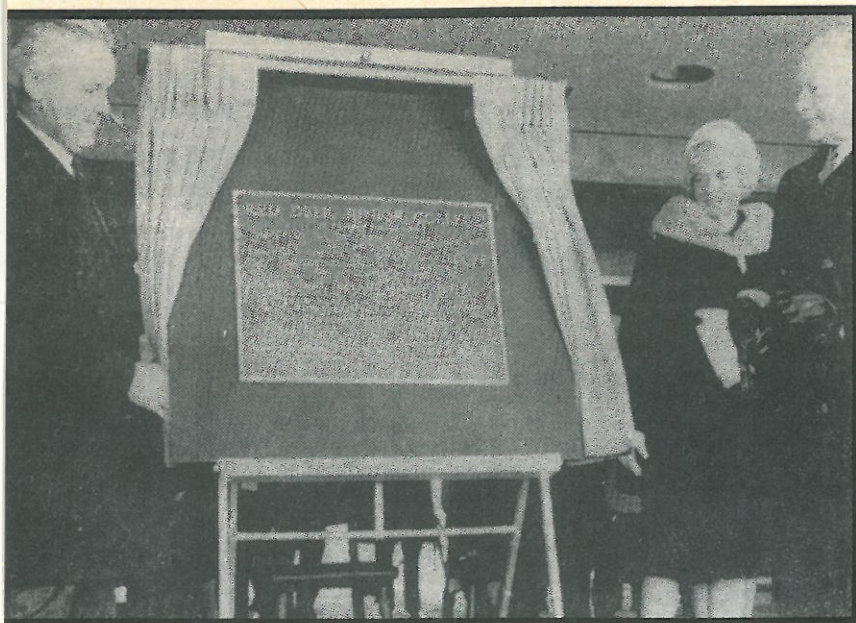

- November 18, 1963: Order in Council 1780/83 establishes Red Deer Junior College.
- September, 1964: Red Deer Junior College opens in a wing of the local high school.
- September, 1968: The College moves into its own building.
- December, 1969: Red Deer Junior College becomes a provincial institution and is renamed RED DEER COLLEGE.

Mrs. Margaret Parsons, who with Harold Dawe and Lil Scott (seated) plus members of local school boards, brought the College to Red Deer, addresses the opening assembly for the first class in 1964. There were 106 fulltime students then, with 12 faculty. Peter Raffa, the Dean, interviewed each student personally to counsel them on their academic career.

Peter Raffa, the first College Dean, with a student.

The Red Deer Junior College building was officially opened by his Excellency Governor-General Roland Michener in 1967. Expansions soon followed in 1969 when the third floor (administration wing) and two second storey classroom wings were added. The 1972 additions included a residence complex, library addition, cafeteria, data centre, laboratories and the Kevin Sirois Memorial Gymnasium. In 1979 two new academic wings and the Students' Association building were opened; in 1983, the apprenticeship and technology wings along with the new residences. A fine arts centre is under construction and should open in 1985.

Residence opening. Present is Dick Johnston, Minister of Advanced Education, and Dr. Ed Luterbach, Academic Dean, R.D.C.

Ed Makarenko, Chairman of the Board of Directors R.D.C. giving his opening address at the opening of the Technical Wing.

Originally, Red Deer Junior College offered only first year university transfer courses. It wasn't until 1968 that the first career programs, nursing and business administration, were added. Adult Upgrading (now known as College Preparatory Program) began in January 1969. Second year university transfer courses were introduced in 1970 and apprenticeship and technology programs commenced in 1981.

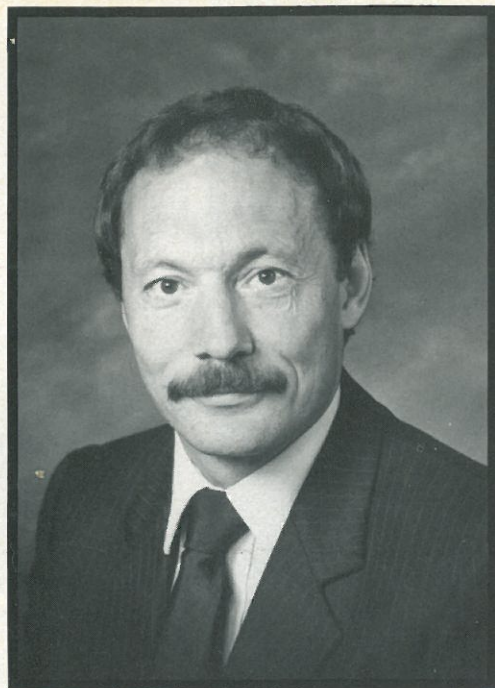

PRESIDENT'S MESSAGE

Congratulations and thanks! With your strong assistance and involvement, the College is celebrating its having reached 20 years of age.

On November 20, 1963 the Alberta Government passed the legislation giving birth to the fledgling institution, which has subsequently grown to become the Province's third largest public College. The sense of the maturity of role of the Students' Association is seen in that currently sitting as members of the Board of Governors are one member of your Association Council, as well as a member who was President of your Students' Association 15 years ago. Most certainly the perspective of our students is both sought and valued - as is the need for an ever increasing level of participation as the College grows still more complex.

I am keenly aware that over the past two decades the programs and personal interests of the student body have broadened significantly. Where once there was but a Junior College, or a University transfer institution, today one finds a comprehensive Community College where students are involved in the broadest range of programs that one will find across the spectrum of public College in Alberta. This vastly increased breadth of student interest is coupled with student representation not only from Alberta, but some 22 countries outside of Canada. There is just no doubt that Red Deer College and your Students' Association have become Institutions of far greater consequence for study and self development.

Again, welcome to the College, and my every best wish for an excellent Anniversary year!

Dr. Ed Luterbach, Academic Dean.

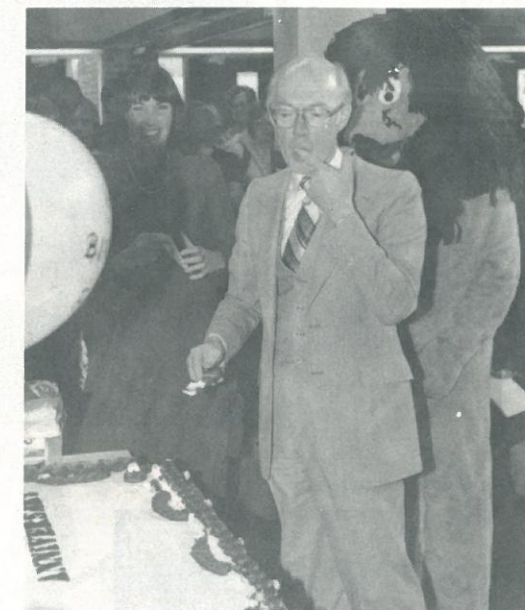

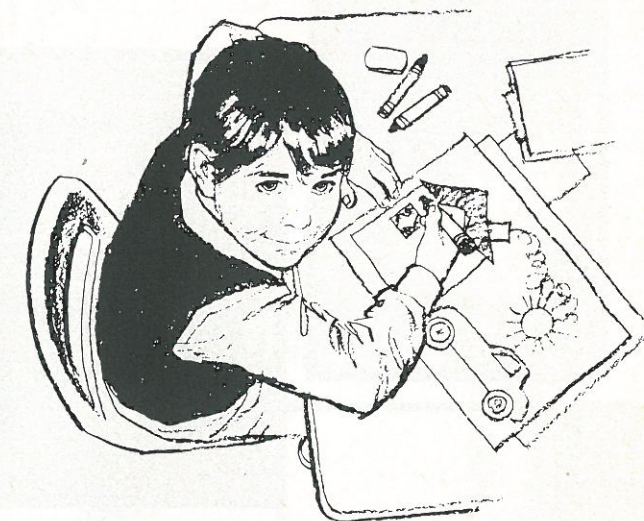

Roy Swanson, Director of Administration.

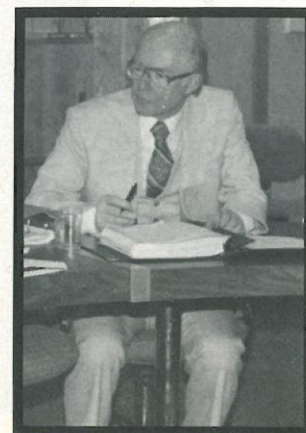

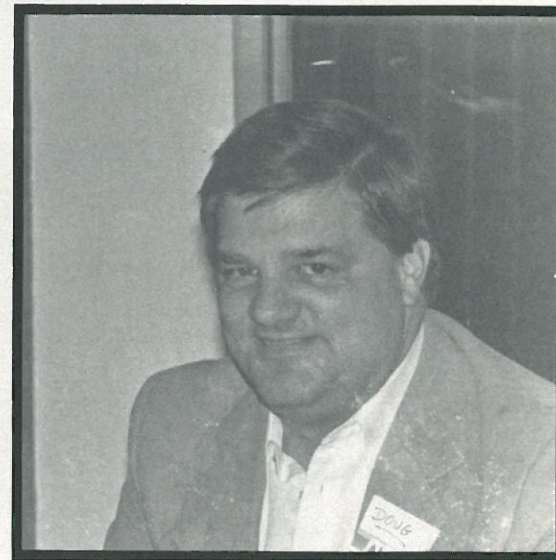

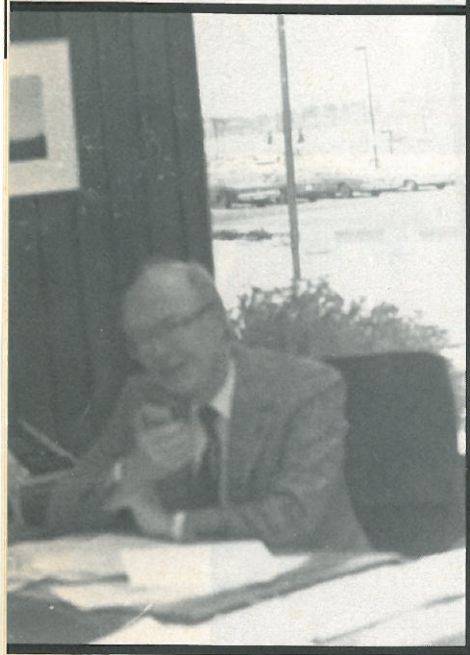

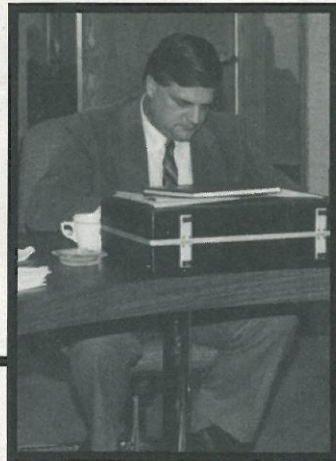

Diane Tyler, Director of Student Services.

MESSAGE FROM THE S.A. PRESIDENT

Congratulations for having survived another fine year at Red Deer College! No doubt when you look back over the year, you'll find the reason that makes Red Deer College so special; people. Every year the Red Deer College Community contains an array of different, gifted, and special people who participate to make your educational experiences overflow with quality. Good luck as you pursue your future goals!

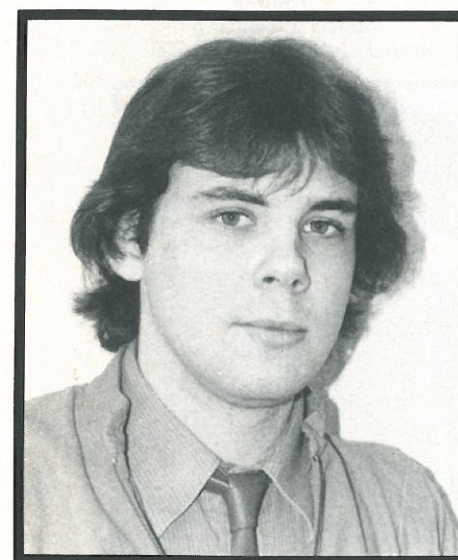

Sincerely yours,

Kent Bolding

MISSING: Char Paterson, Karen Hoppins, Karen Hertel, May Edgar, Bob Van Someren, Wayne Murray, Ron Wysoski.

83-84 BUSINESS SOCIETY

This year's society was a success. We had a large membership of 260 members. We also had a large executive this year of 25 people. The B.S. was busy this year. It all started on September 16, with a free Wine and Cheese Party for members only. The Car Rally followed, which took place at Michener Center. Approximately 425 people took part. The next pub was a first for RDC, it was a Shooter Pub. This Pub was a hit with the 450 people who attended! Since the first Shooter Pub was a success, we had another one in January, followed by a Valentine's Day Pub and the annual "March Bash". A semi-formal year-end wind-up and awards night concluded the social aspect of the B.S. for this year.

This year we were involved in a lot more than just alcohol dependant functions. We bought B.S. t-shirts and team uniforms for use in intramurals. A Prof-Student get-together was put on free of charge for members, which was a first also. The B.S. sponsored EDUCATIONAL field trips to the U of C and U of A and we also decided to sponsor the RDC Rodeo Club. I am especially happy with the creation of scholarships run and funded by the B.S.

Overall, it was a good year and I wish the best to all former members and next year's executive in hopes that they will have a successful year.

On behalf of Council of The City of Red Deer, it is a pleasure to extend warm greetings and best wishes to the students enrolled at Red Deer College.

This year, as the College celebrates its Twentieth Anniversary of service in our community, we wish to extend our sincere congratulations to the faculty and students who are part of this major educational complex, and to the visionaries (in particular, Mrs. Margaret Parsons) who were instrumental in securing this post-secondary educational facility for the Central Alberta Region.

The past twenty years have been witness to a vision becoming a reality, and it is exciting to see the changes that have occurred in this time, not only in terms of the physical amenities on the campus, but also in terms of the diversity of programs available to the students.

Have a good year, and may your future be enriched by the time you will spend at Red Deer College.

R. J. MCGHEE
Mayor
