President's Message

As you look through the pages of this year's yearbook and reflect upon the past year at Red Deer College, I am sure many of you are surprised at how quickly the time has gone by.

The saying, "Time flies when you're having fun" is especially applicable to all the social and extracurricular activities that are the happy opportunity of students. I hope that it is equally applicable to the academic portion of the past year. Quality learning experiences should be challenging, stimulating, rewarding, and, because of these traits, fun. At Red Deer College, excellence in education is our highest mandate. Making time fly by for each of you is a side effect of doing our job right.

Whether you will be returning to Red Deer College in the fall, furthering your education at another institution, or embarking on a career, may your experiences continue to be exciting and fulfilling, and may the summer months ahead be as equally memorable. With some luck they won't fly by too quickly!

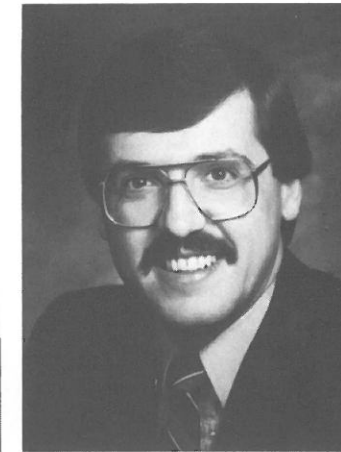

Best wishes for the future.

I would like to thank the students of Red Deer College for allowing me the opportunity to serve as your President for a year. The experience has afforded me a great deal of personal growth.

Moreover, this year has been a successful one for the Students' Association. To Mitch, Sheila and Catriona, my buddies, co-workers and confidantes, thank you for your continuous hard work, motivation, and support. To Keith, you're in a class of your own; your wisdom has given me guidance many times. To staff (Hi Terry!) and Council, we could not have done it without you. Together, we have accomplished our goals.

To Senior Administration, faculty and College staff, you have made RDC the place to be. When I graduate, will you hire me?

In the words of my predecessors, perhaps one day we shall all meet again in the Far Side. Cheers!

Stefanie Ivan
Students' Association President

Well, it is that time of year where we all sit back and reflect on the past year. This year was undoubtedly one of the best experiences and opportunities that I have been granted.

My year could not have been as fantastic as it was without the support of all of you. Thank you to our staff for putting up with our craziness and for keeping us on track. To the college administration and staff, thank you for your continued support and cooperation. To the dedicated SAC members, Bricklayer staff, Rob and the Yearbook staff, Far Side Lounge Staff--thanks for being great!

Finally, to my fellow Buds/Executives, Stef, Mitch, Catriona, thanks for being such great co-workers. We have a lot of good memories that will always be cherished.

Those of you who have come to the completion of their education here--good luck in your future endeavors. To those returning, keep up the RDC spirit!

Sheila Musgrove
Executive Vice-President

1987/1988 is a year in which I will remember for a long time. I would like to express my sincere gratitude to my fellow executives, council members, and many volunteers for all their support and help throughout the year. "An honest executive is one who shares the credit with the people who have done all the work." This is especially directed towards my pub staff Donna, Brad, Cindy and the many security members that have worked for me throughout the year.

As I reflect back on the year I view it as an incredible learning experience. The End of Summer Beach Bash, Shinerma Pub, Halloween Cabaret, and the always Famous Ender Bender Beach Bash. These were all learning experiences (learning not to drink at the Pubs).

To all the students at Red Deer College it was a pleasure working for you and I would recommend this position to anyone seeking a challenge.

Best of luck in the future and perhaps we'll all meet again in the Far Side.

Scrub
Activities Vice-President

With the passing of another academic year at Red Deer College, we must appreciate our individual accomplishments and the friendships that we have shared. From these, we may build our futures.

I would like to thank all those people that have made my year so enjoyable. Your support and participation has allowed me to test my abilities, and at the same time has proven to me that if you have friends, you don't need a psychoanalyst!

I hope that everyone has had an enriching year, both academically and socially. To those of you returning to Red Deer College and to those leaving, I wish you success in all of your endeavors, and remember: "Today's preparations determines tomorrow's achievements."

Good luck,

Catriona Johnson

On Wednesday, November 25, the Yearbook sponsored a fashion show, in the Far Side Lounge. Georgette Popoff and Viki Walsh took on the challenge of coordinating this event. Heather Manyluk and Allan Kelly choreographed the production.

The fifteen models, all Red Deer College students, displayed clothing from five stores: Tom Bast Sports, Bootlegger, Academy Clothing, Rascal and Rogue and Chaisson Bridal Couture. Hair and Make-up were done by Marvel Hairstyling School and Lisa Featherstone.

After surviving months of late copy, panic deadlines, missed ads and really weird layout nights, Bricklayer Staff, totally stressed out at the prospect of a whole week off, leap to their deaths.

"We can't take it anymore, we're having **too much fun!**"

The Noon Show is the medium through which School of Music Students can showcase the material they have been preparing for performance. A variety of styles is expected of each student by the end of both terms yearly, giving a broad scope of musical performance and appreciation. These shows occur every three weeks throughout the year in various venues including the Arts Centre Theatre and the Students' Association Lounge.

ECD Fall Retreat

During the first week of classes the ECD staff took the first and second year students to the Yamnuska Centre. The retreat was to orient the students to the program, to set goals, and to become acquainted with each other and the instructors. The group took hikes, nature walks, sing-song, aerobics, sporting activities and did goal setting. The group became a "big happy family" and were eager to get started in their demanding but exciting program.

Office of the Mayor

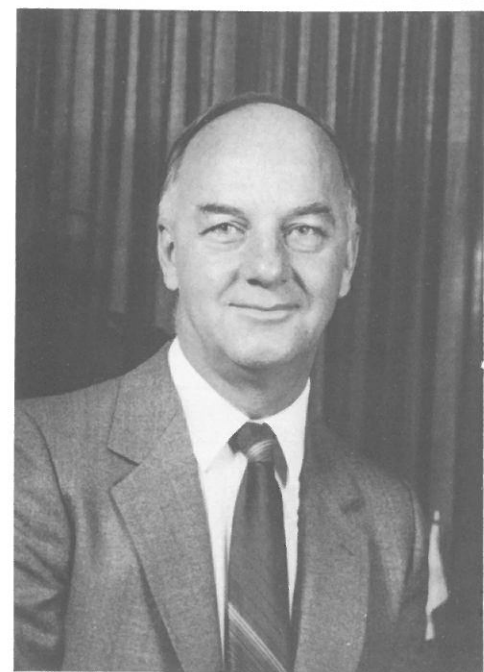

Greetings from Council and the citizens of Red Deer.

This has been a most exciting and rewarding year, both for The City of Red Deer and Red Deer College. College students' contributions to the very successful 1988 Red Deer Alberta Winter Games made us all justifiably proud.

We would like to extend a very special welcome to our foreign students and to those students who have elected to come here from various parts of Canada. You will soon feel at home in the community and at Red Deer College.

Best wishes for a successful year!

R. J. McGhee
