## L.R.C. NOTES

Get it all together at the Title File.

Yup. That's the little bunch of drawers on the end of the card catalogue facing the Learning Resources Centre's checkout desk.

Most people wanting to know whether we've got a particular book, record or government document would check the author file, right?

Blind them with your savoir-faire.

As they thrash around, slamming drawers in frustration, lean over with your 76¢ smile and whisper "title file."

Grateful? They'll probably tear you apart - 76¢ smiles aren't worth what they used to be - but persevere.

Inform them that eager librarians have produced PhD theses to prove that people make more mistakes looking up authors than titles.

Patiently explain to them that the title file is a much more comprehensive source of info than the author listing. Like the latter it notes all the materials in the L.R.C. that have been fully catalogued, but in addition it features:

- all government documents and pamphlets contained in the pamphlet boxes
- items on order but not yet received (but which you can reserve)
- books located in the SCAT collection.
- paperbacks contained in the paperback racks
- items in special series - e.g. "Men and Molecules" cassette series on fascinating aspects of modern science
- a quarter that got lost in one of the drawers in 1971.

So the title file's got a lot going for it. Keep telling people about it and you'll have a lot going for you, too!

## MATH 131 OFFERED IN JANUARY??

Any student interested in enrolling in Mathematics 131 in January, is requested to see Mr. M. Estabrooks or any Mathematics instructor as soon as possible. We will consider offering this course if there is sufficient enrollment.

## LETHBRIDGE WINS IN A.C.A.C. MEN'S BASKETBALL

Lethbridge Kodiaks, defending Alberta and Western Canadian College champions, started the 1974-75 basketball season right where they left off last spring by capturing the A.C.A.C. Men's Pre-Season Tournament at Red Deer College this weekend with 3 decisive victories. Kodiaks defeated Camrose Lutheran 80-55 in the championship final, after defeating Red Deer 103-62 and N.A.I.T. 76-66 in earlier games. N.A.I.T. Oockpicks came back from their initial defeat to win the consolation.

Red Deer College Kings advanced to the championship semi-finals by defeating Medicine Hat Antelopes 72-59 in the best of the opening day's 7 games. Gord Graves led the Kings with 21 points and 13 rebounds; Murray McLean had 14 points and led the defence with 5 recoveries. Lionel Leiske had 12 points and 10 rebounds, while Rod Kennedy picked off 9 rebounds. However, the game's outstanding performance came in a losing cause. Big 6'4" forward Joe Grosswiler from Kalispell, Montana became the tournament's single-game high scorer as he picked up 38 points for the Antelopes.

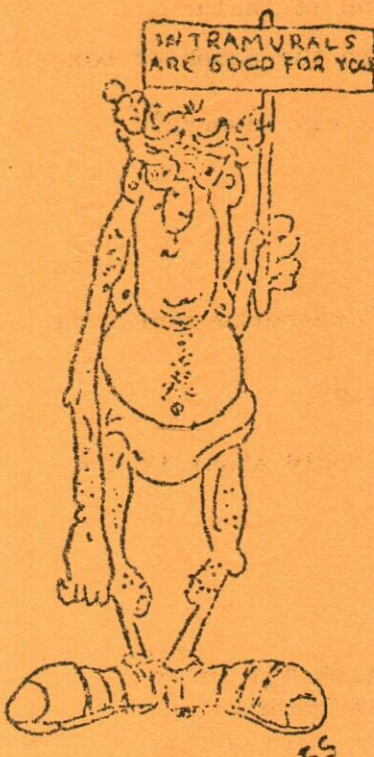

Then, in their semi-final contest with the powerful Kodiaks, Kings trailed in the early going but came back to within 2 points 30-28 with 5 minutes remaining in the first half. The Kings defence, tenacious to that point, then seemed to wilt and the vaunted Lethbridge fastbreak struck swiftly to re-establish the Kodiaks lead, 45-33 at half-time. Kings were never able to recover their momentum in the second half, encountering a rash of costly fouls which ultimately cost the services of 5 players--Bill Bowd, Gord Graves, Lionel Leiske, Greg Lunde, and Rod Kennedy. Coupled with an ankle injury to Al Poytress, Kings played out the final 3 minutes of the game with only 4 players on the floor--Murray McLean, Rick David, Brian Bieber, and Keith Thompson. Gord Graves again led King's scorers with 18 points, followed by Leiske and McLean with 16 apiece.

Following the tournament on Saturday night, individual award winners were selected as follows:
